

Exploring the World of Science

PHOTOGRAPHY, FILMING, AND RECORDING IS STRICTLY PROHIBITED.

Prohibition on Photography, Filming and Recording. To protect and assure the privacy of competitors', event supervisors' and volunteers' information, we prohibit photography, filming and recording of any type with any device or technology for this Science Olympiad event during the competition without prior express written consent from us.

Volunteers, and event supervisors reserve the right to ask any spectator to leave the premises of the event for any reason. Event supervisors may penalize the spectator's affiliated team for unsportsmanlike behavior at their discretion.
